PURE DENTAL FINANCIAL POLICIES

Thank you for choosing Pure Dental! In an effort to better serve you, we would like to take the time to explain the billing process at our office.

Payment is expected the day services are rendered. For patients with dental insurance, if you provide the office with your dental insurance information, we will contact your insurance company and verify your benefits. We will do our very best to answer any questions you may have about your insurance coverage but always suggest that you contact them directly whenever possible.

As a courtesy to you, we will gladly submit the insurance claim to your insurance company on the day of service. We will collect your estimated copayment and deductible at each visit. We make every effort to determine your insurance benefits when you receive treatment, but consider your copayment an **estimate** until we receive payment from your insurance company. Please remember that any information we provide relative to your insurance coverage is our best estimate and not a guarantee of the payment that will be received.
